

**Before completing the application form, please review the following checklist to ensure you are eligible to apply for a grant from The Nicholls Spinal Injury Foundation.**

### **Checklist for Applicants**

- Will the grant bring about a direct benefit to finding a cure for patients with spinal injury?
- Will the grant address the Foundation's key themes of
  - Spinal research and development
  - Stem cell research and surgery
  - Rehabilitation for patients of spinal injury when a cure has been developed.
- Can your organisation demonstrate quality through best practice, innovation to exemplary work?
- Can your organisation add value such as leveraging other funding in kind support or showing encouragement for further research and development in this area of work?
- Is your organisation a registered charity or is the purpose for which you are applying legally charitable?
- Is your organisation constitutionally able to carry out the work you propose?

**Only if you can answer YES to all of these questions should you proceed in making an application to the Foundation. Applications which do not meet these criteria will be deemed ineligible for funding.**
